beauty, speed, style, size and sub-
stance; a sensational high actor, and
will sire high-class coach horses as
well as trotters. It is a well-known
fact that the Chimes-Mambrino King
family of trotters have produced
more 2:10 and 2:15 performers, also
more champions on the race track
and in the show ring, than any other
family known to the trotting horse
world; almost every world's record
has been held at one time by mem-
bers of this family, and to-day more
world's records are held by them
than any other trotting family.

Forest Denmark

153.

This noted sire will make the season
of 1908 at my home, on the Harrod's
creek pike, 8 miles from Paris and 4
miles from North Middletown, at**\$20 to Insure a Living Colt.**DESCRIPTION.—Forest Denmark is
a solid bay, 16 hands high, has great
natural style; carries head and tail
high, and is not second to any stallion
in Kentucky as a getter of high-priced
saddle and harness horses.He has always been at the head of
the stud at Woodford's Stock Farm,
Mt. Sterling, Kentucky. I was able
to get him from the fact that my
father's brood mares are nearly all by
him.Forest Denmark is the sire of the
Chancellor that won sixteen blue tie,
in 1906, also his mate The Cardinal,
which team won, single and double,
thirty-eight blue ties in 1907. He has
sired three other geldings which sold
at an average price of \$2,821.The breeders of Bourbon county have
never had, and probably never will
have again, the opportunity to breed
to the equal of Forest Denmark at \$20.TERMS.—Money due as soon as colt
comes, mare parted with or bred to
another horse. Mares from a distance
grazed at \$3 a month. Every precau-
tion will be taken to prevent accidents
or escapes, but will not be responsible
for those that occur.For further information apply to

WIGGINS

No. 33907

Two-year-old Record 2:19½—Brown

Horse, 15.3—A Colt Trotter and

Sire of Colt Trotters.

SEASON 1908**The RIDGE STOCK FARM.****Fee \$50 The Season**

To Insure a Mare in Foal.

Sam'l Clay,

Paris, - - - Kentucky.

WIGGINS is a horse of attractive conformation, 15 3 hands high, full of
quality, and with fine feet and legs. In disposition and manners he is per-
fect. His colts are uniformly good colors and inherit his bold, frictionless
way of going. They are generally pure gaited and trot with light shoes and
few boots. Wiggins himself wore a 7-ounce shoe with no boots in front.
He was foaled a trotter, and as a yearling trotted a mile over a three-
quarter mile track in 2:33½. He took his record when two years old and
won five straight stake races and \$4,000 that season. Douglas Thomas, his
trainer, says he could have trotted a mile over a good track in 2:12. His
colts not only trot fast young, but sell for high prices. He was himself a
bold finisher and his colts are like him in this respect. For an out-cross for
in-bred mares you can't do better than to breed to WIGGINS, though he
nicks well with mares of any breeding. No other stallion at the same age
has ever accomplished more than WIGGINS. No other stallion of any age
ever had three two-year-olds to beat 2:18 trotting in one year. No other
stallion ever had seven trotters in 22.0 list at ten years.

SOMETHING HE NEEDN'T KNOW.Purchase Not Likely to Have Inter-
ested Him, Anyway.A condition when it is a temptation
to patronize the exchange desk of the
store is brought about by the receipt
of a gift that is a duplicate of some-
thing already possessed. One girl
was made miserable by receiving a
most beautiful inlaid desk simply be-
cause she had two desks already.After giving the subject deliberate
thought she decided to lay the matter
before the young man who sent her
the desk. She felt he would not be
so unreasonable as to be offended.And he wasn't. "Get it exchanged
for whatever you want," he said. "Of
course, I want to see you pleased."

So she sallied forth.

It was difficult to find anything that
just fitted the price. The first thing
selected was a dainty effect in cameo;
then came a belt buckle; then a pair
of gloves.After making these purchases with
the exchange check there was still a
goodly sum over. The girl could not
make up her mind what she wanted.
Then she thought very deeply, smiled
to herself once or twice and completed
her shopping tour on the desk pro-
ceeds.What she bought was filmy and
lacy.And she never includes it in the list
she gives the young man of his "var-
ious" gifts to her.**Driving a Good Bargain.**The barber's small son was in the
habit of playing around his father's
shop, and he was always keenly in-
terested in the patrons. Many a
stray penny found its way into the
little chubby hand, and sticks of gum
were dropped in quite as though by
accident. Judge Williams drifted into
the shop the other afternoon for a
hair cut. The lad recognized the fact
that the judge was a new patron, and
so was more than ordinarily in-
terested in him. He hung at the foot
of the chair and looked musingly at
the judge's bald head. Then he
walked slowly to the back of the
chair and surveyed the scanty fringe
of hair from that point of vantage.
He could contain himself no longer
and burst out incredulously: "Father,
do—you—get a quarter for cutting
that?"—Lippincott's.**Early Scottish Poets.**Earliest on record of the Scotch
poets is the name of Michael Scott.
But the oldest fragments of Scottish
poetry now known to exist consist of
a few lines of lamentation on the
death of Alexander III. of Scotland,
which occurred in 1286.**Neighborhood Favorite.**Mrs. E. D. Charles, of Harbor,
Maine, speaking of Electric Bitters,
says: "It is a neighborhood favorite
here with us." It deserves to be a
favorite everywhere. It gives quick
relief in dyspepsia, liver complaint,
kidney derangement, malnutrition,
nervousness, weakness and general
debility. Its action on the blood, as a
thorough purifier makes it especially
useful as a spring medicine. This
grand attractive tonic is sold under
guarantee at Oberdorfer's drug store,
50 cents.**A Lazy Liver**May be only a tired liver, or a starved
liver. It would be as stupid as well as
savage thing to beat a weary or starved
man because he lagged in his work. So
in treating the lagging, torpid liver it is
a great mistake to lash it with strong
drastic drugs. A torpid liver is but an
indication of an ill-nourished, enfeebled
body whose organs are weary with over
work. Start with the stomach and allied
organs of digestion and nutrition. Put
them in working order and see how
quickly your liver will become active.
Dr. Pierce's Golden Medical Discovery
has made many marvelous cures of "liver
trouble" by its wonderful control of the
organs of digestion and nutrition. It re-
stores the normal activity of the stomach,
increases the secretions of the blood-mak-
ing glands, cleanses the system from poi-
sonous accumulations, and so relieves the
liver of the burdens imposed upon it by
the defection of other organs.If you have bitter or bad taste in the morn-
ing, poor or variable appetite, coated tongue,
foul breath, constipated or irregular bowels,
feel weak, easily tired, despondent, frequent
headaches, pain or distress in "small of back,"
gnawing or distressed feeling in stomach,
perhaps nausea, and kindred symptoms
of weak stomach and torpid liver, no medi-
cine will relieve you more promptly or cure
you more permanently than Dr. Pierce's
Golden Medical Discovery. Perhaps only
a part of the above symptoms will be present
at one time and yet point to torpid liver or
biliousness and weak stomach. Avoid all
hot bread and biscuits, griddle cakes and
other indigestible food and take the "Golden
Medical Discovery" regularly and stick to its
use until you are vigorous and strong.The "Discovery" is non-secret, non-alco-
holic, is a glyceric extract of native medi-
cinal roots with a full list of its ingredients
printed on each bottle-wrapper and attested
under oath. Its ingredients are endorsed
and extolled by the most eminent medical
writers of the age and are recommended to
cure the diseases for which it is advised.Don't accept a substitute of unknown
composition for this non-secret MEDICINE
